

Build Green Utah is leading the region in cutting edge home building for the future. Build Green Utah is a member-driven organization comprised of proactive builders, architects, and associates that are investing in an environmentally sound, socially supportive, and economically healthy future for all.

An invitation to you,

Here at Build Green Utah we promote green building to move beyond simple structures themselves and incorporate everything from site planning, resource efficient materials, clean indoor air quality and appropriate regional landscaping.

As an association we work hard towards:

- Providing a standard, recognized third party verification process for green homes
- Promoting green building and its benefits through builder education, networking events and through collaboration with local governments
- Ensuring the future welfare of our environment, economy and community through a conscious, ethical approach to building
- Raising awareness and educating the general public about the advantages of green building
- Strengthening the green building community as a whole, by building a dynamic network of members working toward common goals

In joining Build Green Utah some of your member benefits will be:

- The ability to have your homes registered with the NAHB Green or LEEH-H checklists and 3rd party verified by Build Green Utah inspectors
- The right to co-brand with the Build Green Utah name and logo under our strict legal communication guidelines that benefit members only
- Priority enrollment and discounted rates for ongoing Build Green Utah education seminars
- Sponsorship opportunities are also available to increase your marketing power

Please contact us at the office if you have any questions or curiosities regarding membership or opportunities available to you.

Code of Ethics

I pledge to:

Generate ethical business operations in a manner that will reflect credit upon Build Green Utah and the green building industry as a whole.

Regulate in spirit and in letter the rules prescribed by law and government agencies for the health, safety and welfare of my employees and the community at large.

Encourage in every way possible our employees in becoming more competent and knowledgeable in the green building industry and to secure for them steady employment, proper working conditions and remuneration consistent with the earnings of my business.

Ethically conduct fair business practices with our competitors, knowing that just like us, they are ambitious to succeed.

Negotiate accurately and honestly the price, materials, and standards of workmanship used in our job to comply with the Build Green Utah checklist on a registered home.

Use only materials and products equal to or exceeding the quality of those specified in the contract, plans and specifications to meet the Build Green Utah checklist.

Terminate, restore and resolve any complaints registered against my company in cooperation with Build Green Utah.

I understand that my membership application is not complete until I sign and complete the Code of Ethics.
